Getting Ready for Summer Watering Restrictions

Watering restrictions are in effect every year during June, July and August:

- Even numbered addresses can water on even calendar days and odd numbered addresses can water on odd calendar days
- Watering can only occur between the hours of 7:00 a.m. to 9:00 a.m. and/or 7:00 p.m. to 9:00 p.m.

**Conserve
Water**

**Save
Money**

**Help the
Environment**

Prepare your automated sprinkler system:

- Replace backup batteries in controllers for automated sprinklers
- Equip your automated irrigation system with a rain sensor to prevent unnecessary watering
- Upgrade your timer to follow the dates and times specified in the Water Conservation By-law
